LAHORE WASTE MANGEMENT COMPANY

BID REFERENCE NO. LWMC/P&C/PR/2020/1035

Single Stage Two Envelope

**LAHORE WASTE MANGEMENT
COMPANY**

Following are the pre-requisites for being eligible bidder.

1. Prior experience of Solid Waste Management preferably in Punjab
2. Registration with Income tax department and PRA
3. Undertaking from the bidder on PKR 100 stamp paper to deploy the machinery within 6-8 hours after the official intimation by the client (LWMC)

Scope of Work

1. Responsible for secondary collection of waste from TCP (Temporary Collection Point) to Landfill Site.
2. The estimated amount of total waste and price is given below:

Lot #	Description of Zone/Town	Estimated Tonnage for 40 days	Estimated Price (Rs.)
1	Ravi	25,315	17.52 million
2	Iqbal	26,660	38.50 million
3	Nishter	24,799	29.26 million
4	Samnabad	27,746	20.56 million
5	Data	25,258	15.49 million
6	Shalimar	23,811	18.36 million
7	Gulberg	19,092	20.66 million
8	A.Bhatti	16,228	13.97 million
9	Wagha	18,779	14.7 million

- The above mentioned tonnage is for 40 days and it should be completed in forty days.
- LWMC shall not pay anything above the estimated tonnage given in above table.
- Minimum guaranteed load for each zone is 167 ton per day.
- Tracker and RFID cost shall be paid by the contractors.
- In addition to the given machinery/vehicles the contractors may engage any other machinery like Trolleys, tractor loaders/ excavators etc to make the operations efficient and smooth.
- The contractors must deploy its machinery/vehicles within 6-8 hours otherwise contract/work order shall be withdrawn and will be awarded to the next lowest bidder.
- LWMC may reject all/any bids as per with PPRA.
- LWMC may withdraw all/any work orders without any reasons with PPRA.
- Payment will be made on work done basis weekly after verifying through performance evaluation system placed by the client.
- Contractors are supposed to ensure zero waste at collection points/ TCPs daily before close of operations.
- Allied arrangements i.e. fencing, rent lighting (if required) etc at TCPs/ collection points will be the responsibility of the contractors.
- In case of breakdown of vehicle alternative resources / fleet will be arranged and deployed within an hour.
- Primary focus should be on municipal waste collection, however support resources may be deployed for bulk waste collection from open plots / areas as per demand and consent of the Client.
