

SUMMARY REPORT | 22th June 2020

Program Management Unit (PMU)
Local Government & Community
Development (LG&CD) Department
Government of the Punjab

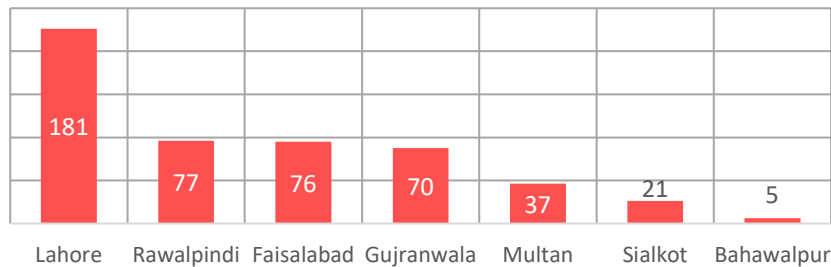

Solid Waste Management

Project titled: Monitoring the Cleanliness of Seven Cities
Under the Waste Management Companies
(WMCs) of Punjab

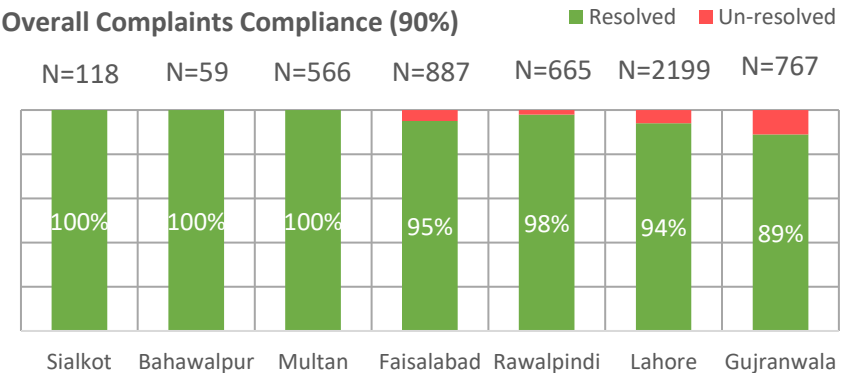

Punjab Municipal Development Fun Company (PMDFC)
184 Scotch Corner Upper Mall, Lahore

Note: MEAs are directed to modify field activities in accordance with the implementation COVID-19 lock down. Partial facility ratings have been resumed and poorly cleaned random locations in allocated zones are being identified keeping all safety measures intact. Citizen surveys will be resumed as the lock down further relaxes. Moreover, dengue spray will also be monitored on daily basis as initiated by WMCs.

■ Poorly cleaned locations (N=467) | 22-06-2020

Overall Complaints Compliance (90%)

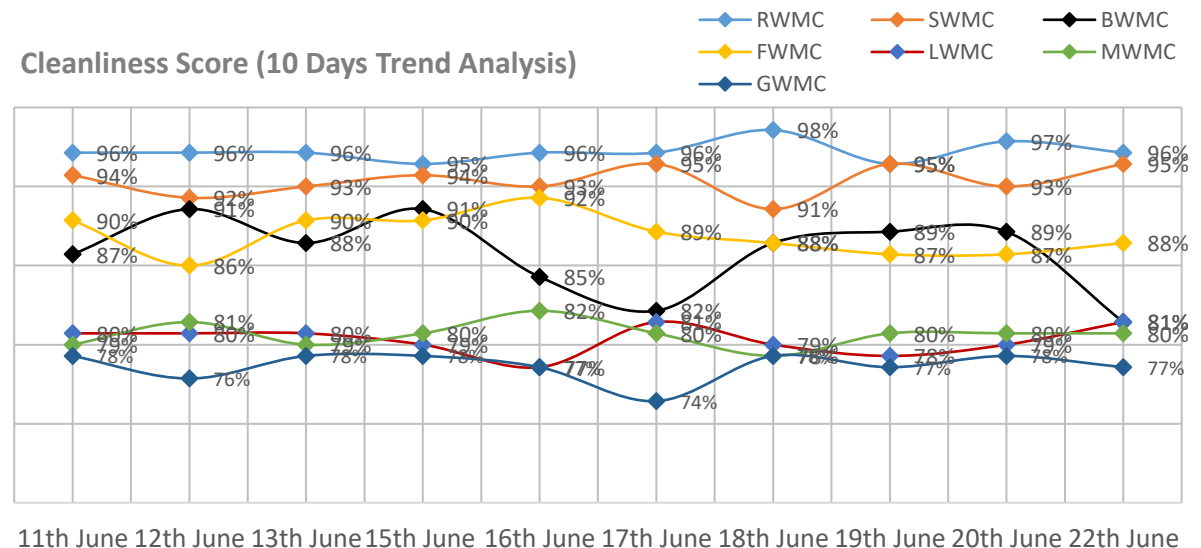

10th June – 20th June, 2020

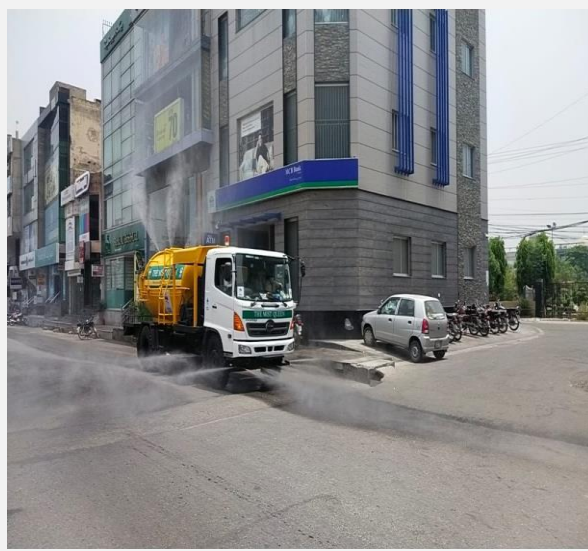

Accumulativ Facility Rating | 11-22 June, 2020

Cleanliness Score (10 Days Trend Analysis)
