1. Background

The month of Ramadan falls on ninth month of Islamic lunar calendar. During this blessed month Muslims around the world, abstain from food and drink. In Pakistan, the Muslims celebrate this month with special fervour and special arrangements are made at the time of Sahar and Iftar.

In city of Lahore, the Municipal Corporation Lahore (MCL) makes special arrangement for continuous provision of quality and cheap grocery items including vegetables, fruits, flour etc., In this context, the MCL organize Ramadan Bazaars, which are spread all over Lahore at important designated places. During the forthcoming month of Ramadan, the MCL has planned to establish **32** Ramadan Bazaars. Generally, low and middle-income groups visit these bazaars because of the availability of cheap products. Additionally, Government of the Punjab also announced subsidies on different food items during Ramadan and prices of commodities are strictly controlled in Ramadan Bazaars.

Lahore Waste Management Company (LWMC) has planned to maintain overall cleanliness of Ramadan Bazaars and will make special arrangements for efficient collection of solid waste. In this regard, in Ramadan Bazaar, **220** sanitary workers will be deployed in two shifts along with waste collection and special arrangements are made for mechanical sweeping & washing of surrounding areas along with waste collection on regular basis.

2. Objective

To maintain overall cleanliness in Ramadan Bazaars by efficiently collecting and transporting solid waste generated in Ramadan Bazaars.

3. Duration of the Plan

The plan will be executed during the whole month of Ramzan i.e (**15th May - 14th June' 2018**).

4. Town wise list of Ramzan Bazaars:

During the forthcoming month of Ramadan, MCL has planned to establish **32** Ramzan Bazaars in different localities of Lahore. The sites of these Ramadan Bazaars have been chosen because of easy access of the citizens and availability of place for holding these bazaars. The townwise list of Daily Ramzan Bazaars is given in table-1.
