E. Bid/Proposal Opening and Evaluation

- Bid/Proposal Opening**
- 23.1** The Client's Management Procurement Committee/evaluation committee shall conduct the opening of the technical Bids/Proposals in the presence of the Bidders/Service providers' authorized representatives who choose to attend (in person). The opening date, time and the address are **stated in the Data Sheet**. The envelopes with the Financial Bid/Proposal shall remain sealed and shall be securely stored until they are opened in accordance with Clause 19 and 24 of the ITB.
- 23.2** At the opening of the Bids/Proposals the following shall be read out:
- 23.2.1** the name and the country of the Bidder/Service provider or, in case of a Joint Venture, the name of the Joint Venture, the name of the lead member and the names and the countries of all members;

- 23.2.2 the presence or absence of a duly sealed envelope with the Financial Bid/Proposal;
- 23.2.3 any modifications to the Bids/Proposal submitted prior to Bid/proposal submission deadline; and
- 23.2.4 Any other information deemed appropriate or as indicated in the Data Sheet.

**Technical
Bids/Proposals
Evaluation**

- 24.1 The Bidder/Service provider is not permitted to alter or modify its Bid/Proposal in any way after the proposal submission deadline except as permitted under Clause 22 of this ITB. While evaluating the Bids/Proposals, the Client will conduct the evaluation solely on the basis of the submitted Technical and Financial Bids/Proposals.
- 24.2 The Client's evaluation committee shall evaluate the Technical Bids/Proposals on the basis of their responsiveness to the Terms of Reference/scope of services and the Bid Document, applying the evaluation criteria, sub-criteria, and point system if any **specified in the Data Sheet**. Each responsive Bid/Proposal will be given a technical score, if any indicated in the data sheet. A Bid/Proposal shall be rejected at this stage if it does not respond to important aspects of the Bid document or if it fails to achieve **the requirements indicated in the Data Sheet**.
- 24.3 After the technical evaluation is completed, the Client shall notify those Bidders/Service providers, whose Bids/Proposals were considered non-responsive to the bid document and TOR or did not meet the minimum qualifying technical score that their Financial Bids/Proposals will be returned unopened after completing the selection process and Contract signing. The Client shall simultaneously notify in writing those Bidders/Service providers that have achieved/qualified the minimum overall technical score/Mandatory evaluation criteria and inform them of the date, time and location for the opening of the financial bids/Proposals. The opening date should allow the Bidders/Service providers sufficient time to make arrangements for attending the opening. The Bidders/Service provider's attendance at the opening of the Financial Bids/Proposals (in person) is optional and is at the Bidders/Service provider's choice.
- 24.4 The Financial Bids/Proposals shall be opened by the Client's Bid/evaluation committee in the presence of the representatives of those Service providers whose bids/proposals have passed the minimum technical

score/mandatory criteria. At the opening, the names of the Bidders/Service providers, and the overall technical scores, including the break-down by criterion, shall be read aloud if any indicated in the Data Sheet. The Financial Bids/Proposals will then be inspected to confirm that they have remained sealed and unopened. These Financial Bids/Proposals shall be then opened, and the total prices read aloud and recorded.

- 24.5 In the case of Least-Cost Selection (LCS)**, the Client will select the Bidder/Service provider with the lowest evaluated total bid price among those service providers that achieved the minimum technical score/mandatory technical evaluation criteria for each lot.

Taxes

- 25.1** The Service Provider's Financial Proposal shall include all applicable taxes in accordance with the instructions in the Data Sheet.

Financial Bid/Proposal Evaluation

- 26.1 Least-Cost Selection (LCS)**, the Client will select the Bidder/Service provider with the lowest evaluated total bid price among those service providers that achieved the minimum technical score/mandatory technical evaluation criteria for each lot.

Process to Be Transparent

- 27.1** Information relating to the evaluation and comparison of bids/Proposals and recommendations for the award of a contract shall be disclosed to service providers **10 days** before the award to the successful Service provider, on the PPRA Website.

Clarification of Bids/Proposals

- 28.1** To assist in the examination, evaluation, and comparison of Bids/Proposals, the Procuring Agency may, at its discretion, ask any Bidder/Service provider for clarification of the Bidder/Service Provider's Bid/Proposal, including breakdowns of the prices in the Price/Activity Schedule, and other information that the Procuring Agency may require. The request for clarification and the response shall be in writing or email, but no change in the price or substance of the Bid/Proposal shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the Procuring Agency in the evaluation of the Proposals in accordance with ITB Clause 30.

- 28.2** No Bidder/Service provider shall contact the Procuring Agency on any matter relating to its Bid/Proposal from the time of the Bid/Proposal opening to publication of

evaluation report. If the Service provider wishes to bring additional information to the notice of the Procuring Agency, he/she should do so in writing.

28.3 Any effort by the Bidder/Service provider to influence the Procuring Agency in the Procuring Agency's Bid/Proposal evaluation or contract award decisions may result in the rejection of the Bidder/Service Provider's Bid/Proposal.

Examination of Bids/Proposals and Determination of Responsiveness

29.1 Prior to the detailed evaluation of Bids/Proposals, the Procuring Agency will determine whether each Bid/Proposal:

29.1.1 Has been properly signed;

29.1.2 Is accompanied by the required securities;

29.1.3 And is substantially responsive to the requirements of the Bid/Proposal documents.

29.2 A substantially responsive Bid/Proposal is one which conforms to all the terms, conditions, TORs and specifications of the Bid/Proposal documents, without material deviation or reservation. A material deviation or reservation is one:

29.2.1 Which affects in any substantial way the scope, quality, or performance of the Services; or

29.2.2 Which limits in any substantial way, inconsistent with the Bid/Proposal documents, the Procuring Agency's rights or the Bidder/Service provider's obligations under the Contract; or

29.2.3 Whose rectification would affect unfairly the competitive position of other Bidders/service providers presenting substantially responsive Bids/proposals

29.3 If a Bid/proposal is not substantially responsive, it will be rejected by the Procuring Agency, and may not subsequently be made responsive by correction or withdrawal of the nonconforming deviation or reservation.

Correction of Errors

30.1 Bids/Proposals determined to be substantially responsive will be checked by the Procuring Agency for any arithmetic errors. Arithmetical errors will be rectified by the Procuring Agency on the following basis:

30.1.1 If there is a discrepancy between unit prices and the total price that is obtained by multiplying the unit price/price per ton and quantity, the unit price/price

per ton shall prevail, and the total price shall be corrected;

30.1.2 If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected;

30.1.3 If there is a discrepancy between the amounts in figures and in words, the amount in words will prevail.

30.2 The amount stated in the bid/Proposal will be adjusted by the Procuring Agency in accordance with the above procedure for the correction of errors and, with the concurrence of the Bidder/Service provider, shall be considered as binding upon the Bidder/Service provider. If the Service provider does not accept the corrected amount, the Bid/Proposal will be rejected, and the Bid Security may be forfeited in accordance with ITB Sub-Clause 16.5.

**Non-
Preferential
Treatment**

31.1 No service provider (domestic or foreign) shall be eligible for any margin of preference in Bid/Proposal evaluation.

F. Award of Contract

**Award
Criteria**

32.1 The Procuring Agency will award the Contract for to the Bidder/Service provider whose Bid/Proposal has been determined to be substantially responsive to the Bid/Proposal documents and who has offered the lowest evaluated Bid/Proposal price, provided that such Bidder/Service provider has been determined to be:

32.1.1 Eligible in accordance with the provisions of ITB Clause 3, and

32.1.2 Qualified in accordance with the provisions of ITB Clause 24.

**Procuring
Agency's
Right to
Accept or
Reject all
Bids/Propo-
sals**

33.1 Notwithstanding ITB Clause 32, the Procuring Agency reserves the right to accept all Bids/Proposals, or to cancel the selection process and reject all Bids/Proposals, at any time prior to the award of Contract, without thereby incurring any liability to the affected Bidder/Service provider or service providers or any obligation to inform the affected Bidder/Service provider or service providers of the grounds for the Procuring Agency's action.

**Notification of
Award and
Signing of
Agreement**

34.1 The Bidder/Service provider whose Bid/Proposal has been accepted will be notified of the award by the Procuring Agency prior to expiration of the Bid/Proposal validity period by email or confirmed by registered letter from the Procuring Agency. This letter (hereinafter and in the Conditions of Contract called the

“Letter of Acceptance”) will state services and other particulars that the Procuring Agency will deliver to the Bidder/Service provider in consideration of the execution, completion, and maintenance of the Services by the Bidder/Service provider as prescribed by the Contract

34.2 The notification of award will constitute the formation of the Contract. Expected data and address for award of contract is **specified in BDS.**

34.3 The Contract, in the form provided in the Bid/Proposal documents, will incorporate all agreements between the Procuring Agency and the successful Bidder/Service provider. It will be signed by the Procuring Agency and sent to the successful Bidder/Service provider along with the Letter of Acceptance. Unless otherwise stated in **BDS or Part II**, within 7 days of receipt of the Contract, the successful service provider **shall sign the Contract** and return it to the Procuring Agency, together with the required performance security pursuant to Clause 35. Furthermore, the selected Bidder/service provider shall commence the services by the date specified in BDS.

34.4 Upon fulfilment of ITB Sub-Clause 34.3, the Procuring Agency will promptly return the Bid/ security of unsuccessful Service providers as soon as possible.

Performance Security

35.1 Unless otherwise stated in **BDS or Part II**, within 7 days after receipt of the Letter of Acceptance, the successful Service provider shall deliver to the Procuring Agency a Performance Security in the amount and in the form (Bank Guarantee) stipulated in the BDS, denominated in the type and proportions of currencies in the Letter of Acceptance and in accordance with the General Conditions of Contract. It will be retained by the procuring agency till the successful completion of the contract.

35.2 If the Performance Security is provided by the successful Bidder/Service provider in the form of a Bank Guarantee, it shall be issued either

35.2.1 At the Bidder/Service provider’s option, by a bank located in the country of the Procuring Agency

35.3 Failure of the successful Bidder/Service provider to comply with the requirements of ITB Sub-Clause 35.1 shall constitute sufficient grounds for cancellation of the award and forfeiture of the Bid Security.

Arbitration

36.1 Any dispute or difference arising out of the Agreement which cannot be amicably settled between the Parties shall be finally settled under the provisions of the Arbitration Act, 1940 (Act No. X of 1940) and Rules made thereunder as amended from time to

time. The venue of arbitration shall be in Lahore as given in Special Conditions of the contract.

**Corrupt or
Fraudulent
Practices**

37.1 For the purpose of this provision, the terms set forth below define corrupt or fraudulent practices:

37.1.1 “corrupt practice” means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official, Bidder/service provider or contractor in the procurement process or in contract execution to the detriment of the procuring agency; or misrepresentation of facts in order to influence a procurement process or the execution of a contract;

37.1.2 “fraudulent practice” is any act or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain financial or other benefit or to avoid an obligation;

37.1.3 “collusive practices” is an arrangement among service providers (prior to or after Proposal submission) designed to establish Proposal prices at artificial, non-competitive levels for any wrongful gain, and to deprive the procuring agency of the benefits of free and open competition, and any request for, or solicitation of anything of value by any public official in the course of the exercise of his duty;

37.1.4 “coercive practices” is impairing or harming, or threatening to impair or harm, directly or indirectly, any person or the property of the person (participant in the selection process or contract execution) to influence improperly the actions of that person;

37.1.5 “obstructive practice” is deliberately destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements before investigators in order to materially impede an investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation, or acts intended to materially impede the exercise of the Client’s inspection and audit rights.

37.2 The Procuring Agency will reject a proposal for award if it determines that the Service provider recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in competing for the contract in question;

- 37.3** The Procuring Agency will declare mis-procurement if it determines at any time that its representatives were engaged in corrupt, fraudulent, collusive, coercive or obstructive practices during the procurement or the execution of that contract,;
- 37.4** The Procuring Agency will sanction a firm, in accordance with prevailing Blacklisting procedures under Punjab Procurement Rules 2014, if it at any time determines that they its representatives, directly or through an agent, were engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in competing for, or in executing, a contract; and
- 37.5** The Procuring Agency will have the right, requiring service providers, suppliers, contractors and consultants to permit the Procuring Agency to inspect their accounts and records and other documents relating to the Proposal submission and contract performance and to have them audited by auditors appointed by the Procuring Agency.

1. Firm Experience

The Bidder must demonstrate that they have completed projects related to handling of machinery w.r.t to transportation of waste/solid waste/municipal waste in last Five (05) years, accumulative cost of which must be greater than or equal to Rs. 40 million. However, minimum threshold of projects meeting the accumulated cost of Rs. 40 million must be at least two (2) Nos. of projects handled by the bidder.

The bidder shall submit the substantial completion certificate or completion certificate or a similar document from the Employer, Client or the Engineer or their authorized representative stating the name and nature of the job, tenure, the final cost of services at completion, the name of the Employer and the name of the Contractor or Supplier or the Service Provider.

2. Availability of Minimum Manpower and Machinery Resources

The Bidder must demonstrate that they possess the following manpower and machinery resources against each lot. A bidder submitting bids on more than one lot must show that the dedicated manpower and machinery resources are deployed for each respective lot, separately.

Lot #	Total Machinery Requirement					Human Resource
	Dumpers	Excavators	Trolleys	Loaders	Excavators	Drivers
1	5	1	14	3	0	23
Total	5	1	14	3	7	23

For manpower resources the bidder must demonstrate that the skilled manpower (Driver) of the desired trade has been employed by them for the respective lot. The bidder shall provide name and CNIC Number against each position (Driver) and shall submit an undertaking that the desired resources will be employed and mobilized by them

For machinery resources the bidder must demonstrate that the bidder owns or has rented the following minimum required machinery for each respective lot. The bidder shall provide the registration number of each equipment (if applicable) along with the ownership documentation or rental agreements with equipment supplier; thereby ensuring that the desired number of equipment is readily available with the bidder.

3. Financial Soundness

The financial soundness will be evaluated on lot wise basis. The bidder must demonstrate that their *Average Annual Turnover* for last three years is PKR 50.00 Million **for each lot**. The bidder submitting bids on more than one lot must demonstrate the Average Annual Turnover (AAT) for last three years for the requisite number of lots i.e. for one lot the AAT must be PKR 50.00 million for two lots the AAT must be PKR 100.00 million and analogously for nine lot the AAT must be PKR 450.00 million.

4. Resource Deployment Plan

The Contractor shall provide a narrative regarding Resource Deployment Plan covering the following aspects:

	<p>a. Mechanical/Machinery Resource Engagement Plan b. Human Resource Engagement Plan</p> <p><u>Failure to submit the Resource Deployment Plan shall not constitute the reason for disqualification of the bidder. However, the bidder shall expressly and unconditionally agree to deliver the project in accordance with the TORs attached with the bidding documents.</u></p> <p>a. Evaluation Process</p> <p>The technical evaluation will result in technically Qualified or Disqualified bidder. Process will be completed under PPRA Rules, 2014 (amended time to time).</p> <p>b. Multiple Contracts</p> <p>If a Bidder submits several bids, the evaluation will also include an assessment of the Bidder's capacity to meet the following aggregated requirements as presented in the bid:</p> <ul style="list-style-type: none"> • Average annual turnover, • Equipment to be allocated, and • Personnel to be fielded. <p>The bidder will submit its lots preference for technical evaluation with technical proposal/bid. If the bidders fails to provide the lots preference then the preference will be considered serial wise i.e. lot 1 will be given first preference and so on.</p>
24.5	Least Cost Selection Method will be used for the subject procurement.
25.1	All the applicable taxes shall be included in the bid price. Any change in the taxes will be adjusted as per provisions of law accordingly.
F. Award of Contract	
34.3	Expected date for the commencement of the Services: One (01) day after Award of contract/Award Letter.
35	The Performance Security shall be in the Form of Bank Guarantee <u>amounting 10% of the contract amount with validity period of 04 (four) months.</u>

HIRING OF CONTRACTORS FOR
SECONDARY WASTE COLLECTION AND
TRANSPORTATION TO DUMP SITE

Section IV. Scope of Services

LAHORE WASTE MANGEMENT COMPANY

SCOPE OF SERVICES-TORs

5.1 Introduction

Lahore Waste Management Company (LWMC) was established under section 42 of the Companies Ordinance 1984 (Now Companies Act 2017) in March 2010. Incorporation of LWMC was aimed to improve the Solid Waste Management (SWM) services in Lahore. Currently LWMC is in the process for hiring of services for waste collection and transportation from the following six (09) zones of Lahore city during transition period on urgent basis:

Zone Number	Name of Zone
1	Gulberg

5.2 Requirements of the Project

LWMC is intending to hire Contractors for collection of waste from nine zones of Lahore and transport waste to designated landfill/dumpsite. Waste collection involves routine collection of waste from containers/ waste storage sites / designated points and transferring it to either transfer station / collection points then for further transport to designated landfill site. Waste collection also involves clearance/ collection (at discretion of Client) of bulk waste including debris, mix waste, green waste and animal dung etc. and further disposal to landfill site using appropriate readily available machinery in market.

5.3 Estimated Quantities

Lahore has been divided into six (09) zones for outsourcing solid waste management services for better services / administrative control by LWMC. The waste generation¹ has been calculated for the following nine divided zones;

Zone Number	Name of Zone	Estimated Quantities of Waste for 2 months (tons) ²
1	Gulberg	24,164

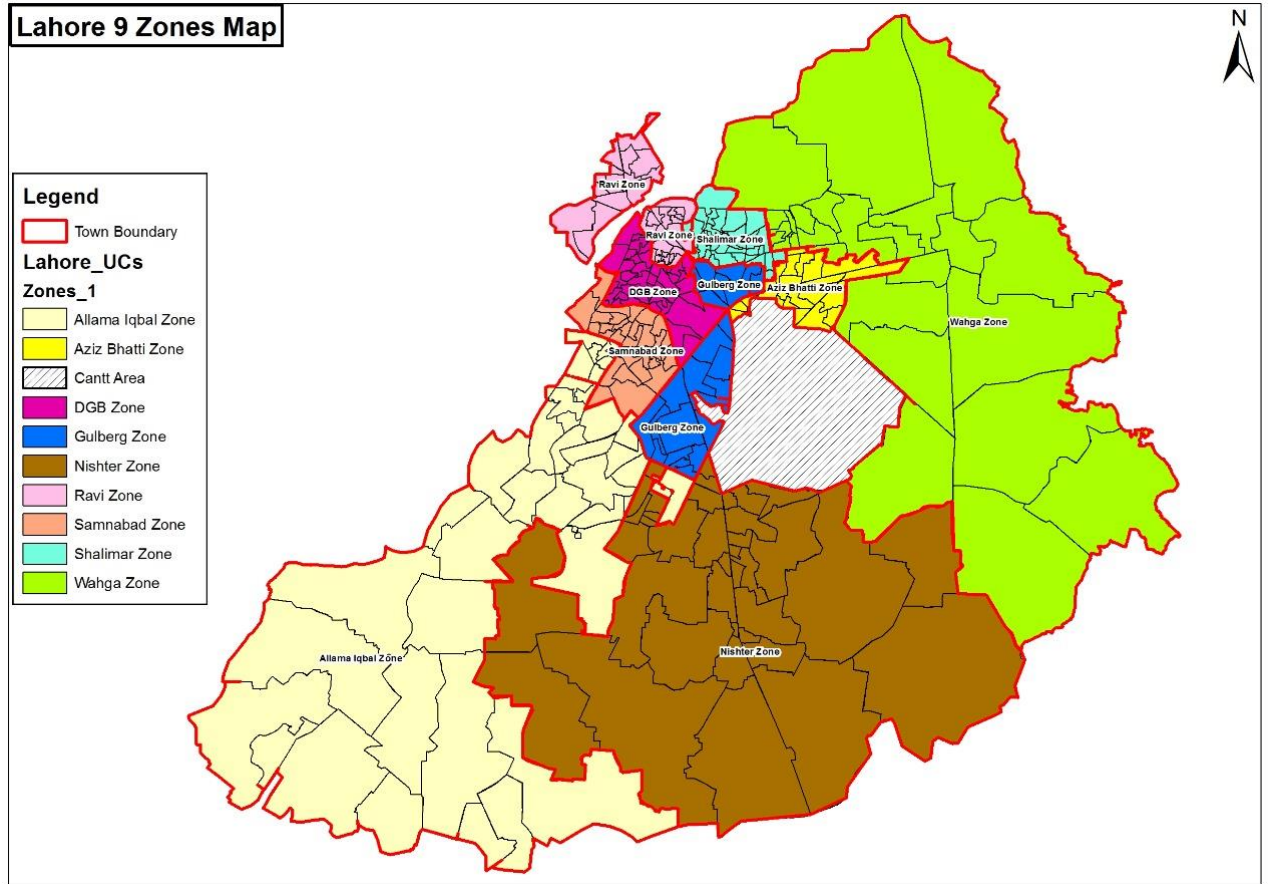

5.4 Map of SWM Zones of Lahore

For the said contract, Lahore is divided into 9 zones the map of which is given below;

¹ Population data is taken form census 2017.

Per capita waste generation rate is taken as 0.5 kg per day.

² Waste generation is considered half for Sundays.
